Extended Canter

1. Walk and halt at the judge
2. Proceed in trot.
3. Extended trot across the diagonal changing direction.
4. Pick up left canter lead in the top right hand corner.
5. Change lead through the middle of the arena with a simple change.
6. Extended canter on the right lead across the top of the area.
7. Break down to a trot then walk.
8. Halt at the judge.
9. Back up 4 steps.
10. Dismount and join the line up.

*Note all canter work can be done at the trot for riders who do not feel comfortable cantering and led lines.

* All riders that qualify for the championship class will be asked to complete a "Free workout". The nature of the workout should illustrate the strengths of the horse and rider combination and can include any SAFE movements from ANY discipline.
